

This is to certify that
Procurri UK Ltd

Bankside Trade Park, 15 Love Lane, Cirencester, GL7 1YG, UK

Has been assessed
by Peter Child for IT Governance Ltd
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials

Scope: Internet facing infrastructure of Procurri UK including firewalls, routers, hosted systems and connections at 15 Love Lane, Cirencester GL7 1YG.

Certification date: August 3rd, 2017

Recommended re-assessment date: **August 2nd, 2018**

Certificate no.: 3866495640179161

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
